## Emergency Mobile Pantry for Zuni Pueblo

**\*\*Must reach out through Facebook\*\***

Why I'm raising money As you may know, our Pueblo of Zuni is quite rural and dealing with 'stay-at-home' orders, like the rest of the nation. Our elders and those who lack transportation and financial support are the hardest hit. A few of us moms have taken action to create a mobile pantry and are seeking donations of non-perishable foods, personal cleansing items, cleaning supplies or cash donations. We are committed to purchasing all supplies locally so that we don't leave our community. Your help and assistance is greatly appreciated, thank you in advance!
