Parent Organization

Goodwill Industries of New Mexico

Goodwill Industries of New Mexico a local nonprofit organization that offers free programs and services to help New Mexicans find jobs in the community and gain access to specialized social services. We are CARF-accredited, which is evidence of our commitment to continually improve services, encourage feedback, and serve the community.

Goodwill's revenue is generated through the sale of donated clothing, housewares, furniture, and more through our 20 stores and donation centers. 88 cents of every dollar we make goes directly to fund our free programs and services.

Goodwill serves low-income seniors, homeless or near-homeless veterans, those needing to brush up on employment basics or digital skills , or just about any New Mexican seeking a job. Anyone can apply for services via our website ,call us, or walk in to any Goodwill location to ask for assistance.
