## Hope Garden

Hope Garden features several acres of land for growing produce, and a multitude of “hoop houses”. Our Hoop houses are covered areas used for vegetables and herbs during the growing season. Our projects: the community raised beds, three growing areas, orchard and rock berm, the hoop houses and onsite Farm Stand.

## Parent Organization

### The Community Pantry

The Community Pantry (organization) was established in 1998 for the purpose of providing food to the needy through various programs in the Gallup and Grants, New Mexico areas. The organization receives donated food from other not-for-profit organizations, individuals and businesses some of the food is received through the organization's affiliation with Feeding America. The food is distributed free or for a nominal charge to needy individuals and families or agencies who directly feed the needy
